How much does it cost to participate in the Santee Summer Concert Series?

The Santee Summer Concert Series is free. However, we will have food trucks on site for an easy and convenient dinner.

Where will the band be playing? And can I bring chairs or a blanket?

The band will be playing on the main stage adjacent to the parking lot. The venue is set up for lawn and picnic style seating. Remember to bring your chairs and blankets. Canopies and umbrellas are allowed until the concert begins, and then we ask that they be taken down to prevent view obstruction.

Are there other activities to take part in at the Santee Summer Concert Series?

The City of Santee will have an information booth every week that will have an opportunity drawing for parents and a prize wheel for children along with varying sponsor booths each week. There is a playground on site located on the North/West side of the park and plenty of room to bring soccer balls, footballs etc. to play in the park.

It tends to be warm when the concert begins but does cool off later in the evening. A light jacket is recommended.
